Hi Lynde ---

DOJ received a FOIA seeking all documents we had relate to the Sterigenics amicus brief we filed last year. After review we were inclined to send the attached documents (because there is no indication that they are attorney client or work product exempt). There is no facial indication that the company asserted that these documents were CBI, but before we sent them I wanted to check to see if you have any indication that the company claims CBI protection (especially for the word document).

Thanks,

-Matt

Don't know if necessary for today's call-- the facility's NSR 2014 permit materials/final permit.
